results	Always available at this level	Used at this level when data is available	Used at this level when data is available	
tenders**	Not used at this level	Not used at this level	Not used at this level	MCC does not issue tenders for our programs, rather our MCA counterparts manage those procurements directly. See below for additional information

\* The status field is only used on activities that have been cancelled (status code = 5). These specific activities were used in the past for accounting purposes but are not currently active. They have no funds either committed or disbursed against them and have a sector code of 99810 (sector not specified).

\*\* Data for MCA procurements can be found at the following locations:  
<https://mcc.dgmarket.com> and <https://www.mcc.gov/work-with-us/mcc-partner-countries>
